Ropes, Twines & Cordage

Manila, sisal, jute, cotton, coir and synthetic ropes — the line we were founded on in 1953, now spanning industrial, marine and specialist applications.

Product Line	Specifications
Manila Rope	Natural manila fibre, 2/3/4-ply twisted construction, 5–60mm diameter
Sisal Rope	White and natural sisal fibre, 2/3/4/5-ply twisted, 5–60mm diameter
Jute Rope & Twine	Twisted and braided jute rope; plain, brown and waxed/bleached jute twine
Jute Yarn & Rope Net	Natural and ring-spun jute yarn; woven jute rope net
Cotton Rope, Cord & Twine	Twisted, braided and waxed cotton in rope, cord and twine forms, 2–10mm
Braided Rope	Jute, cotton and marline braided rope; OPGW rope for power transmission lines
Polypropylene & HDPE Rope	PP and HDPE rope and netting, including nylon-PP blends
Synthetic & Marine Rope	Nylon, polyester, plastic and marine-grade rope
Specialist & Tactical Rope	Army training rope, fast/slithering rope, DLT and BOB rope for rappelling and training
Coir Fibre & Sisal Yarn	Jute oakum fibre and sisal yarn for packing, caulking and weaving
Rope Hardware	Aluminium ferrules and wire rope thimbles for rigging and rope termination

Brass & Copper Components

Bars, rods, sheets, tubes, valves and fittings in brass and copper, including marine fittings such as fire hose couplings and scupper plugs.

Product Line	Specifications
Brass Bar, Rod & Ingot	Brass strips, hex bars, pipes, hollow rounds, rods and high-tensile ingot
Brass Sheet & Flanges	Rectangular brass sheet and inch-size brass flanges
Brass Wire	Golden brass wire for general industrial use
Brass Valves & Taps	Brass needle valves and bib taps
Brass Hardware	Brass hex bolts and door hinges
Brass Hose Fittings	Fire hose couplings, camlock and tank-cleaning couplings, hose nipples, scupper plugs
Copper Bar, Tube & Billet	Copper round bar, pipe/tube, billets and brass tube
Copper Sheet & Strip	Copper foil sheet, copper plate and copper strip
Copper Wire	Electrical-grade copper wire
Bronze & Copper Alloy	Bronze round bar and copper busbar

Industrial Sheets & Gaskets

Cork, rubber, jointing and felt sheet materials for sealing, insulation and friction applications across general industry.

Product Line	Specifications
Cork Sheet	RC70C brown cork sheet, rubberized cork sheet, and cork sheet rolls
Rubber Sheet	Silicone rubber sheet and corrugated rubber sheet
Jointing Sheet	Asbestos and non-asbestos jointing sheet for gaskets, various thicknesses
Brake Lining	Non-asbestos brake lining material, sold by length
Electrical Rubber Mat	Insulating rubber matting for electrical work areas
Wool Felt Sheet	Woollen felt sheet for padding, insulation and seating
Perforated Sheet	Stainless steel perforated sheet, various hole patterns

Pipes, Valves & Hardware

Flanges, valves, hose couplings, bolts and conveyor belting — the connective hardware behind pipelines and material handling systems.

Product Line	Specifications
Steel Flanges	Stainless steel, weld-neck and forged steel flanges in multiple sizes
Gate Valve	Cast steel gate valves
U-Bolts & Pipe Hangers	Stainless steel U-bolts and pipe hangers for pipe support
Sealing Wire	GI sealing wire for tamper-evident closures and lead-seal applications
Fog/Mist Nozzles	Fog and mist nozzles for fire suppression and dust control
Suction & Air Hose	Water suction hose and compressed-air hose pipe
Conveyor Belt	Steel-cord and cotton conveyor belting, sold by length

Metals — Steel, Zinc & Lead

Stainless steel rods and sheets, zinc bars, and lead products including sheet, seals and wool for shielding and ballast applications.

Product Line	Specifications
Stainless Steel Rod & Sheet	Stainless steel rods and sheets for fabrication
Zinc Round Bar	Zinc bars for galvanizing and alloying applications
Lead Sheet	Lead metal sheet for shielding, roofing and weighting
Lead Seals & Wool	Lead seals for tamper-evidence; lead wool for caulking and joint packing

Industrial Textiles & Safety

Hessian cloth, industrial felts, hair belting and protective workwear including boiler suits for plant and field operations.

Product Line	Specifications
Hessian Cloth	Jute hessian cloth for packaging, lining and agricultural use
Jute Felt	Woven jute felt sheet for industrial padding and insulation
Boiler Suit	Industrial safety boiler suits, cotton, unisex sizing
Hair Belting	Industrial hair belting for filtration and conveying applications
